

ADARSH VIDYA KENDRA

Development Activities for Students

Dear Parents,

Warm Greetings from Adarsh Vidya Kendra! As the nation is under a temporary lockdown due to the outbreak of COVID-19, the school would like to reiterate the guidelines offered by doctors and experts.

- ★ Wash your hands frequently.
- ★ Cover your mouth and nose while coughing and sneezing.
- ★ Avoid travel.
- ★ Keep safe distance and avoid gathering.
- ★ Wear a mask.
- ★ Eat natural and healthy foods and drink plenty of water.
- ★ Stay at home.

The school, in order to help your wards spend time usefully at home, suggests the following indoor activities which will boost their language development and creative thinking.

They shall....

- ★ Read books.
- ★ Write summaries of the books they have read.
- ★ Develop stories.
- ★ Listening to news (BBC).
- ★ Drawing.
- ★ Spending time with grandparents talking/reading stories.
- ★ Playing word games.
- ★ Practise yoga and exercises.

We have provided a few links to be viewed and used for the above mentioned activities. We firmly believe that these activities will do a world of good in the development of your kid's language skills and creativity.
