Dear Parents,

Greetings from Adarsh Vidya Kendra!!!

Dussehra signifies the victory of good over evil, a time when world sees the example of power of good. Let us continue the same "true" spirit. Adarsh Family wishes you a happy and prosperous Dussehra!!!

We have had many curricular and co-curricular activities on this pandemic time to create a conducive and stress-free environment for learning apart from the regular online classes. You have already noticed the performance of your ward in the PT-I / Unit Test examinations. The response during the parent-teacher-meet sessions held in June / September was excellent. It shows that the parents had taken keen interest to follow up with what we are trying to achieve in the school. It is undeniably true that only the constant interaction between the parents, teachers and the school authorities can bring the desired development in your wards. Do make use of the opportunities. We have successfully completed the first half of the academic year with the relentless support of parents' community.

The Virtual Campus of AVK will take a short break for Pooja holidays from 17th October 2020 to 26th October 2020. School reopens after Pooja Holidays on 27th October 2020.
